

NOTICE TO CONSUMERS

COVID-19 (Novel Coronavirus)

Have you:

1. Travelled overseas from a high risk destination such as China, Iran, South Korea, Europe or North America in the last 14 days? OR
2. Been advised that you should be in home isolation for coronavirus? OR
3. Been advised you are a close contact with a confirmed or suspected case of coronavirus?

If YES, do you have symptoms?

1. Fever or history of recent **fever**, OR
2. New or worsening **shortness of breath, cough** or **sore throat** with or without fever.

If you have symptoms:

- If they are **MILD**, you will be asked to attend **NALHN COVID 19 clinic** based at Muna Paiendi, Corner of Mark and Oldham Road, Elizabeth Vale. Phone: 81829206
- If symptoms are **SEVERE**, you will be referred to the **Emergency department at the Lyell McEwin Hospital**. Phone: 81829786

If you **DO NOT have symptoms** your clinician will be asked if your appointment can be delayed until after a 14 day period of self-quarantine since leaving the higher risk country or since your close contact with a confirmed or suspected case of coronavirus.

Consumers who have travelled to other countries and who do not have clinical signs or symptoms should self-monitor and isolate if they become unwell. Your appointment can occur as booked.
